

SOLVENT BOTTLE CART

Model # 9057

The Solvent Bottle Cart is constructed of 1/2" white polypropylene with 1/4" clear PVC sliding bypass doors on either side for ease of access. Each bottle holder is slanted downward and has an open drain to center of the cart for spill containment. A plugged drain port is located at the bottom of the cart. This cart can hold 42, 1-gallon bottles and has a footprint of 48" x 31" x 50H" and includes 2 rigid casters and 2 swivel casters with foot brakes. All casters are 5" and nonmar type.

CAN BE MANUFACTURED AS IS or DESIGNED TO YOUR SPECIFIC NEEDS
