LIMITED WARRANTY *

Products manufactured by Leatherwood Plastics (hereinafter called "Leatherwood"), are warranted to be free from defects in material and workmanship for a period of one year from date of shipment. Leatherwood will repair or replace (at Leatherwood's option) any product found to be defective because of material or workmanship during the warranty period stated herein. Leatherwood disclaims any liability except as stated herein, for damages of any type, incidental or consequential, incurred by Buyer or Buyer's assignee resulting from the failure of the products manufactured by Leatherwood. Improper installation, maintenance, misuse or modifications made to equipment manufactured or sold by Leatherwood, by Buyers or users of the product, will automatically void any warranties then remaining.

Leatherwood does not warrant its products as to the fitness for any special use or function, or as to their life after sale to Buyer and/or subsequent Buyers or users of the product.

Products sold by Leatherwood but manufactured by others that are warranted to be free from defects in material and workmanship of said products, under that manufacturer's warranty, are expressly not warranted by Leatherwood. All claims of resulting damage which may be incurred through the sale or use of said products, or any part thereof which may be deemed defective, are covered only under said manufacturer's warranty, if any, and Leatherwood expressly disclaims any liability for said damages.

All returns must be authorized by Leatherwood prior to return and will be freight prepaid, except by Leatherwood's written consent.

* Exceptions to standard warranty are noted within the quotation, if applicable.
