

ACID BOTTLE CARTS

Leatherwood Plastics' Acid Bottle Carts feature sturdy, acid/corrosive-resistant construction, and are available in standard styles or built to customer's specific requirements.

Gallon Bottle Carrier #0813

- 10 bottle capacity
- Bottle compartments slant to center to allow inverted empties to drain into an enclosed sump for draining later
- Sliding bypass doors to contain fumes during transport.
- Dual handles for ease of maneuverability

Bulk Canister Cart #0541

- Can be configured for multiple canister sizes
- Plastic construction choices to suit your chemistry
- Restraint device with quick release seatbelt latch
- Swivel and fixed casters with locking feature
- Removable deck with lower spill containment

Compact Acid Bottle Cart #0841

- Holds 9 one-gallon bottles
- Lower sump spill containment

Vertical Bottle Carrier #8116

- Easy to maneuver
- Holds up to 24 one-gallon bottles
- White polypropylene construction
- Swivel and fixed casters with locking feature
- Foot-operated brake is available
- Removable & reconfigurable partitions to accommodate various bottle sizes.

All carts are available in stainless steel or CPVC materials for solvent transport
